*Blinds with a view*

**Custom Blinds Shutters** add a touch a class and sophistication to any room. With timber and poly resin to choose from, we have the right shutter in the right price range for anyone!

### **NEW!! Bermuda 2000 Aluminium Adjustable Shutters**

**Bermuda 2000** has been designed as a modern, functional shutter which is appealing for both exterior and interior use. This shutter is available hinged, bifolded, sliding or simply be fixed in place. Being a product designed for the harshest of Australian Conditions, Bermuda has the highest Quality tracking system available on the market, using only high grade stainless steel and UV Rated Nylon components. Bermuda 2000 is wind rated to 180Kmh with an option for a Cyclonic Wind Rated product if needed.

### **Basswood Shutters**

At Custom Blinds our timber shutters are hand crafted from the finest grade basswood timber. It comes in a huge range of colours varying from white to the many shades of natural timber. You can also choose to have your tilt rod hidden or in clear view, depending on the style that suits you best. There are 3 styles to pick from, fixed, sliding or bi-fold giving you a unique finish to your room.

### **Fauxwood Shutters**

Fauxwood shutters offer the look of real timber without the maintenance issues of real timber. They are a compound of poly resin. The painted/ printed finish is guaranteed not to crack, peel, or bubble.

### **Features:**

- ✓ 15 yr warranty
- ✓ Eco-friendly plantation grown
- ✓ Won't crack or peel
- ✓ Won't fade
- ✓ Easy to clean

Mortise & Tenon joint
