*Blinds with a view*

At Custom Blinds we have a large option of timberlook blinds ranging from Tuscany to Poly PS range.

They capture the look of genuine timber, without the cost of the real thing! They are completely washable, they never need to be re-oiled or re-lacquered, making them perfect for all areas of your home.

#### **Tuscany - PVC Foamwood**

Tuscany blinds are made from a highly unique combination of polymer co-extrusion. While Tuscany is a high quality product, it is not recommended for extreme heat conditions. It is rated to 55°C. They are an eco-friendly product, there are no trees being cut down to create this product. Tuscany is a fire retardant, anti-fungal and anti-static product.

#### **PS Range - Polystyrene**

Our PS blinds offer the same warmth of natural wood blinds at a fraction of the cost. Our premium polystyrene range is rated to 73°C. This is the highest rating of any timberlook blind on the market and has a 5 year anti-fade warranty.
